

CURRICULUM VITAE

Tad E. Grenga, M.D, F.A.C.S.

UNDERGRADUATE EDUCATION:

Youngstown State University
Youngstown, Ohio
September 1972 - June 1976
B.A. Chemistry

MEDICAL TRAINING:

Medical School
Ohio State University College of Medicine
Columbus, Ohio
July 1976 - June 1979

Internship: General Surgery
Albany Medical Center Hospital
Albany, New York
July 1979 - June 1980

Residency: General Surgery
Albany Medical Center Hospital
Albany, New York
July 1980 - June 1984

Residency: Plastic and Reconstructive Surgery
Cleveland Clinic
Cleveland, Ohio
July 1984 - December 1986

Fellowship: Hand Surgery
Cleveland Clinic
Cleveland, Ohio
January - June 1987

Registrar: Plastic Surgery
Canniesburn Hospital
Glasgow, Scotland
April - June 1986

BOARD CERTIFICATION:

Certified, American Board of Plastic Surgery, 1989
Certified, American Board of Surgery, 1985
National Board of Medical Examiners, 1980
Certification of Added Qualifications in
Surgery of the Hand, 1990

LICENSE:

Licensed in Virginia and New York
Virginia License, July 1987

HOSPITAL STAFF APPOINTMENTS:

Maryview Hospital
Portsmouth General Hospital
Louise Obici Memorial Hospital

Sentara Norfolk General Hospital
Sentara Leigh Memorial Hospital
Children's Hospital of the King's Daughters
DePaul Hospital
Chesapeake General Hospital

LOCAL COMMITTEES:

Maryview Hospital Operating Room Committee
Maryview Hospital Surgical Authorities Committee
Louise Obici Memorial Hospital Emergency Room Committee
Sentara Norfolk General Hospital Transfusion Committee

LOCAL DEPARTMENTAL & SOCIETY MEMBERSHIPS:

Maryview Hospital/Portsmouth General Hospital
Department of Surgery
Portsmouth Academy of Medicine
Medical Society of Virginia
Virginia Society of Plastic & Reconstructive Surgeons
Medical Society of Virginia Review
Organization, Physician Reviewer

SOCIETY MEMBERSHIPS:

American Society of Plastic and Reconstructive Surgeons (Active)
American College of Surgeons (Fellow)
American Medical Association
American Society of Plastic and Reconstructive Surgeons Exhibit Committee
American Association of Hand Surgery
American Society of Reconstructive Microsurgery

TEACHING & EDUCATIONAL APPOINTMENTS:

Assistant Clinical Instructor, Albany Medical College of Union University, 1983-1984
Junior Assistant Clinical Instructor, Albany Medical College of Union University, 1979- 1983
Assistant Professor Dept. of Plastic Surgery, Medical College of Hampton Roads, 1988 - Present

SPECIAL TRAINING:

Microsurgery Course, Cleveland Clinic
Foundation, February, 1985
Hand Review Course, ASSH, Cleveland, September, 1984
Flap Dissection Course, Canniesburn Hospital, Glasgow, April, 1986
Tunable Dye Laser Workshop, October, 1990, Boston University

PUBLICATIONS:

1. Grena, TE. CHAP versus Cranial Bone - Submitted to Annals of Plastic Surgery
2. Grena, TE, Zins, JE, Bauer, TW. The Rate of vascularization of coralline hydroxyapatite. Plas Reconstr Surg, 84 (2): 245, 1989
3. Grena, TE. Preserving the opening after repair of split earlobes, (Letter) Plas Reconstr Surg, 82 (4): 725, 1988
4. Grena, TE. Intradendinous fibroma of flexor tendon. Journal of Hand Surg, 15A (1), 1990

5. Grenga, Jacobs, Zins. Calcium Hydroxyapatite vs. Endochondral Bone: Comparison of Resorption and Early Revascularization (Poster), Amer Cleft Palate-Craniofacial Asso, May 15-16, 1990
6. Grenga, TE. Elbow joint salvage with transverse rectus island flap, (Letter) *Plas Reconstr Surg*, 85 (5): 830, 1990
7. Grenga, TE, Dowden RV. Prophylactic mastectomy and the patient with Munchausen's syndrome. Accepted for publication. *Plas Reconstr Surg* 80 (1): 119, 1987
8. Grenga, TE, Yetman, R. Temporary arteriovenous shunt prior to free myosseous flap transfer. *Microsurg* 8(1):2, 1987
9. Grenga, TE. Carbon dioxide vs air in pneumoperitoneum (letter). *Arch Surg* 122(6):736, 1987
10. Grenga, TE. Steroid induced colonic perforation in a patient with Behcet's disease. *NY Med Quart* 5(2): January, 1985
11. Grenga, TE, McShane, RH. Musculocutaneous flap for traumatic anal incontinence. Yearbook of Plastic Surgery, F.J. McCoy, ed. Yearbook Medical Publishers, Chicago, 1983 (abstract)
12. Grenga, TE, McShane, RH. Myocutaneous flap for traumatic and incontinence and reconstruction of a pararectal defect. *NY ST J Med* 82(7): 1067-1069, 1982
13. Grenga, TE, Pietrocola, DM. Subcutaneous injection of mercury mimicking nodular melanoma. *NY ST J Med* 82(8): 1231-1233, 1982
14. Grenga, TE. A new risk of lye ingestion by children. (Letter) *NEJM* 308(3): 157-157, 1983
15. Grenga, TE, Catfish spine envenomation of the hand. (Letter) *Journal of Hand Surg* 14A(6): 1035-1036, 1989

PRESENTATIONS:

1. Rate of Vascularization of Coralline Hydroxyapatite Onlay Grafts, Plastic Surgery Senior Resident's Conference; Houston, April, 1986; American Cleft Palate Association; San Antonio, March, 1987
2. Coralline Hydroxyapatite vs. Endochondral Bone: Comparison of the Rate of Resorption, OVSPRS, Akron, Ohio, June, 1987
3. Coralline Hydroxyapatite vs. Endochondral Bone: Comparison of the Rate of Resorption, American College of Surgeons; San Francisco, October, 1987
4. Sternotomy Wound Reconstruction - Experience at the Cleveland Clinic 1981-1986, Cleveland Surgical Society; April, 1987
5. Temporary Arteriovenous Shunt Prior to Free Myosseous Flap Transfer; Society of Microsurgical Specialists, New Orleans, October, 1986
6. Prophylactic Mastectomy and the Patient with Munchausen's Syndrome; OVSPRS, June, 1985

7. Thyroglossal Duct Cyst in a 95 year-old Patient; OVSPRS, June, 1985
8. Mercury Injection Mimicking Nodular Melanoma; AAD, December, 1982
9. Albany Surgical Heritage: Hand Surgery 1885; Albany Medical College, December, 1985
10. Calcium Hydroxyapatite vs. Endochondral Bone: Comparison of Resorption and Early: Poster Presentation, National Cleft Palate Association Annual Meeting, May, 1990
11. Achilles Tendon, No Longer "The Achilles Tendon" of Plastic Surgery: Poster Presentation, The Medical Society of Virginia Annual Meeting, 1992.
12. Coralline Hydroxyapatite vs Cranial Bone: Comparison of Rate of Resorption, American Society of Plastic And Reconstructive Surgeons Annual Meeting, New Orleans, September, 1993
13. Algorithm for Management of Breast Implant Disorders, Virginia Society of Rheumatologists Annual Meeting, September, 1994
14. Miniaturized Radial Forearm Fasciocutaneous Flap for Digital Reconstruction, American Association for Hand Surgery Annual Meeting, Marco Island, Florida, January, 1995
15. Algorithm for Management of Breast Implant Disorders, International College of Surgeons, 58th Annual Surgical Update, Washington, DC May, 1996
16. Wound Care Management: Surgical and Non-Surgical Concepts, Mosby's Surgical Services Expo, Nashville, TN, October 1997

MEETINGS:

1. American Society of Plastic and Reconstructive Surgeons, Washington, DC 1992
2. American Society of Plastic and Reconstructive Surgeons, New Orleans, 1993
3. American Society of Plastic and Reconstructive Surgeons, Montreal, 1995
4. Plastic Surgical Education Foundation, Maxillo-Facial Trauma, Chicago, 1991
5. American Society of Plastic and Reconstructive Surgeons, Boston, 1990
6. American Society of Plastic and Reconstructive Surgeons, San Francisco, 1989
7. AO/ASIF Maxillofacial, Williamsburg, October, 1988
8. American Society of Plastic and Reconstructive Surgeons, Atlanta; November, 1987
9. American College of Surgeons, San Francisco; October, 1987
10. American Society of Plastic and Reconstructive Surgeons, Annual Meeting, Kansas City; October, 1985

11. American College of Surgeons, Clinical Congress; New Orleans, 1986, and Atlanta, 1983
12. Ohio Valley Society of Plastic and Reconstructive Surgeons, Annual Meeting; June, 1985 and March, 1986; June, 1987
13. Upstate Chapter of American College of Surgeons, Annual Meetings; 1982, 1983, 1984
14. Third Endosurgery Symposium; Duke University Medical Center, May 1996

RESEARCH:

1. Coralline Hydroxyapatite vs Cranial Bone: Comparison of Rate of Resorption in a Maxillofacial Onlay Model
2. Rate of Vascularization of Coralline Hydroxyapatite Maxillofacial Onlay Grafts
3. Coralline Hydroxyapatite vs Endochondral Bone: Comparison of the Rate of Resorption in a Maxillofacial Onlay Model
4. Reconstruction of Sternotomy Wound Defects - Experience at the Cleveland Clinic, 1981-1986
5. Tests of a "Microvascular Graft Seeded with Endothelial Cells"

AWARDS:

Honored as Outstanding Italian-American for 1997, National Meeting of the Order - Sons of Italy of America
